COMPANY PROFILE

Building bridges.
Creating lasting value.

Connecting capital, opportunity and expertise to build resilient businesses and a sustainable financial future.

Al-Josour Holding

A stronger future, built together.

Al-Josour Holding for Financial Investments brings a long-term perspective to investment. We work to connect financial sectors, support affiliated businesses and turn opportunities into sustainable growth through strategic partnerships and disciplined management.

OUR VISION

To be a trusted bridge between capital and opportunity, creating long-term value through innovation and responsible growth.

OUR MISSION

To support businesses with financial investment, strategic direction and partnerships that strengthen their position and future.

Investing where opportunity grows.

01

Strategic investments

Identifying opportunities that align with a long-term vision for sustainable financial growth.

02

Portfolio development

Supporting affiliated businesses through strategic guidance, stronger capabilities and thoughtful allocation of capital.

03

Risk & governance

A disciplined approach to risk management, transparency and responsible corporate governance.

04

Financial partnerships

Building connections across financial services, technology and business to unlock new possibilities.

A considered path to lasting value.

01

Understand the opportunity

We begin by understanding the business, its objectives and the opportunity ahead.

02

Evaluate with discipline

We consider financial priorities, risks and alignment with the long-term vision.

03

Build the partnership

We bring the relevant expertise together and define a clear direction for collaboration.

04

Grow with purpose

We support ongoing development through thoughtful guidance and shared priorities.

Experience behind our vision.

Chairman

Abdelhamid Othman Mostafa

More than two decades of experience in insurance and financial consulting, with expertise in risk assessment, insurance advisory, business management and financial investments.

Managing Director

Ashraf Badr

An insurance professional with experience in underwriting, reinsurance, technical support and regulatory research. His career combines sector leadership with specialist insurance qualifications.

Executive Director

Mohamed Barakat

More than 30 years of banking experience, complemented by work in systems integration, data analysis, financial inclusion and the development of professional teams.

Connected expertise. Shared vision.

Al-Josour Holding

Tharaa Insurance Brokerage

Insurance solutions shaped around your life, your business and everything you are building.

Tharaa Financial Consulting

Financial insight and practical advice to turn your ambitions into a considered plan for growth.

Let’s build what comes next.
